

BBRS PROPOSAL 780CMR R6.3.4.1.3.1--5-04-21

Add a new regulation R6.3.4.1.3.1 which reads:

R6.3.4.1.3.1 Decisions also involving Construction Supervisor License responsibilities: If the Decision involves consideration of Construction Supervisor License matters per 780 CMR R5 then such Decision shall also comply with the requirements of 780 CMR R5 as applicable.

DEFENSE

HIC non-compliance often occurs concurrently with Construction Supervisor License non-compliance and this proposal allows the BBRS to simultaneously address both types of complaints (CSL and HIC)
